## Wayne campus meeting

- Introductions/ welcomes
- Margo explained what SEAC does on the main campus. Family picnic, community outreach-ornaments, 5 days awarded at BOT meeting, Akron Aeros game, United Way
- Opened up to Wayne campus: Updates at Wayne
  - 3 new chemistry labs (3), new walkway, Continuing Education and Work Force Development merged so they were all shifted to Akron. Moved admissions into old space.
- Brought up layoffs. Nobody at Wayne was affected.
- Wayne would like the main campus to assist in making it easier to use free tics at EJ
- Health fair is disappointing at Wayne. Just info and flu shots. Big like Akron. Can offer Sumba- some offers but limited. Just a room with equipment.
- Matt explained UC to Wayne employees
- We discussed the new payroll system- “workforce software” everyone is adjusting explained where the main campus is with it.
- **STEPHANIE WENT TO THE RESTROOM ☺**
- How can Wayne campus get nominated for SEAC? Voted on by Akron, 1 dean appointed one
  - Would there be interest? Stephanie says probably not because of time away due to travel.
    - 2 people who could represent so they could switch off and on
  - Teleconference to Skype Wayne members in- conference call? Would feel like they weren’t involved in a meaningful way
- Wayne fall fest for families and community 6-8 25<sup>th</sup> in SLB-Wayne.

### 8) New Business (Continued)

Back to vote on accepting new rule. Discussion is continued. Matt made a motion to table the issue and Shelly seconded the motion – All but one in favor of tabling the issue

Matt asked Stephanie to address- who is civil service, who isn’t. Dumping rules? Can Bill clarify- minimum of 2 weeks’ notice. Whose classified exempt? Classified non-exempt? Civil service? Any staffs affected already get info.

Need a replacement for Sharon on the UC Recreation and Wellness committee. Explained committee

Emily nominated Brenda and Shelly seconded it

Motion to adjourn- Emily, Michael - 2:06pm
