All fall 2020 grades are higher than they historically have been due to most students opting to not receive a letter grade of C- or lower.

\*\*Due to COVID-19 students had the option (for undergraduate classes) to select the special Credit/No Credit grading basis. To earn credit, they must have received a letter grade of C- or better. If they earned a letter grade of D+ or lower, no credit was awarded. In either case, the Credit or No Credit grading basis does not impact their GPA. Additionally, opportunities for community service and philanthropy continued to be limited due to ongoing restrictions related to the pandemic and in-person events.\*\*
